

Methanol Maser

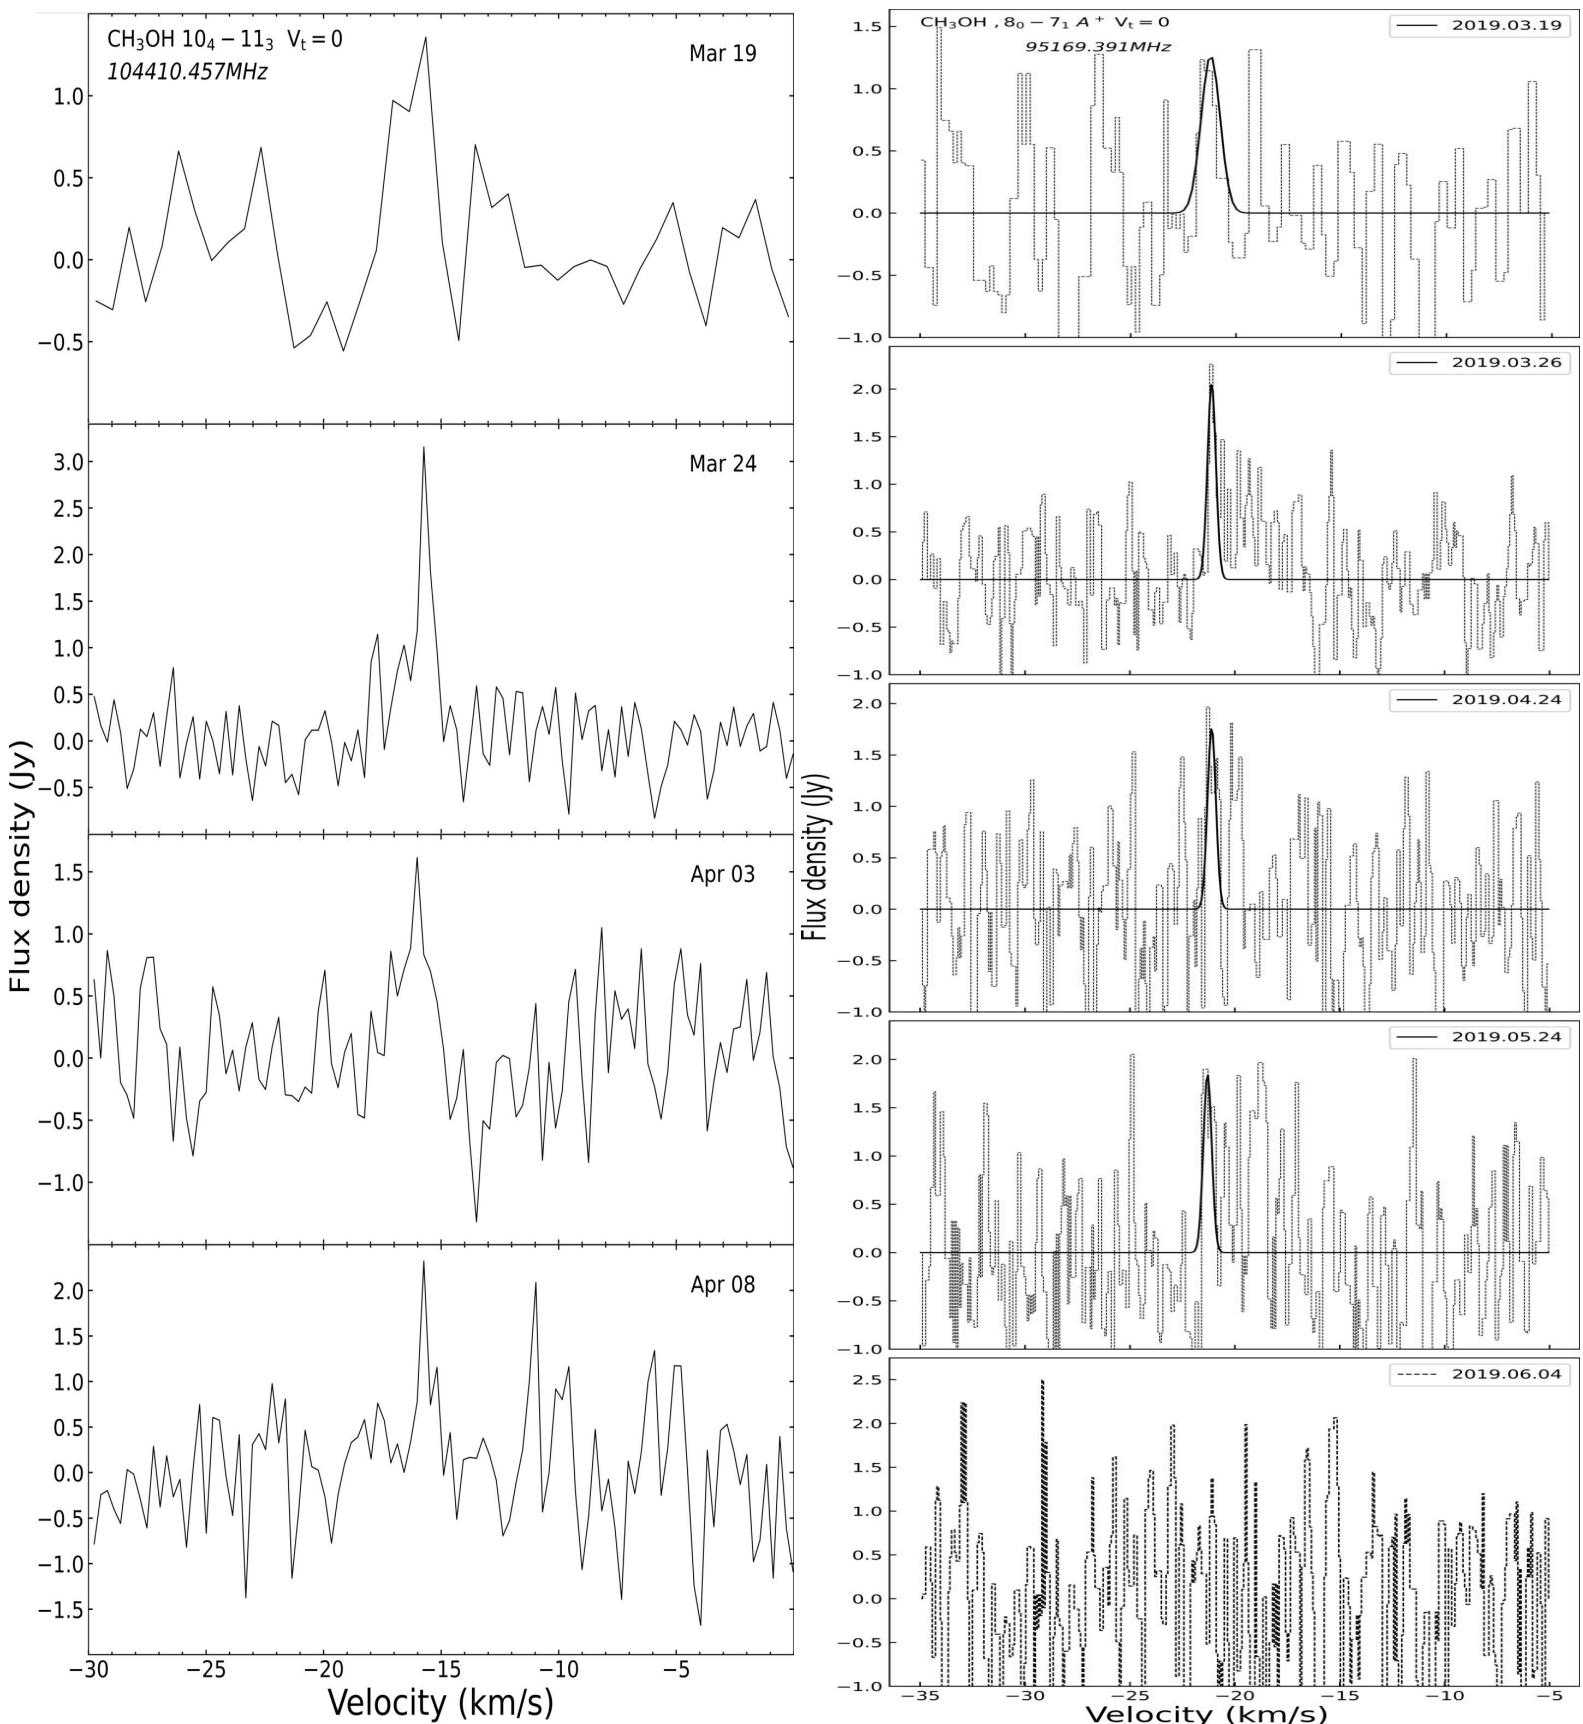

Methanol Maser

Methanol Maser

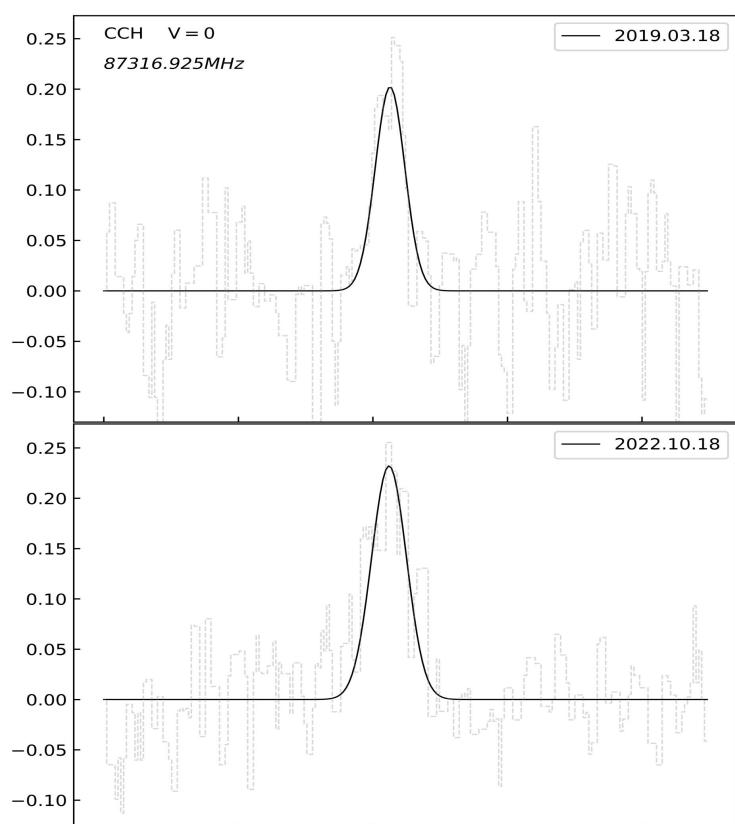

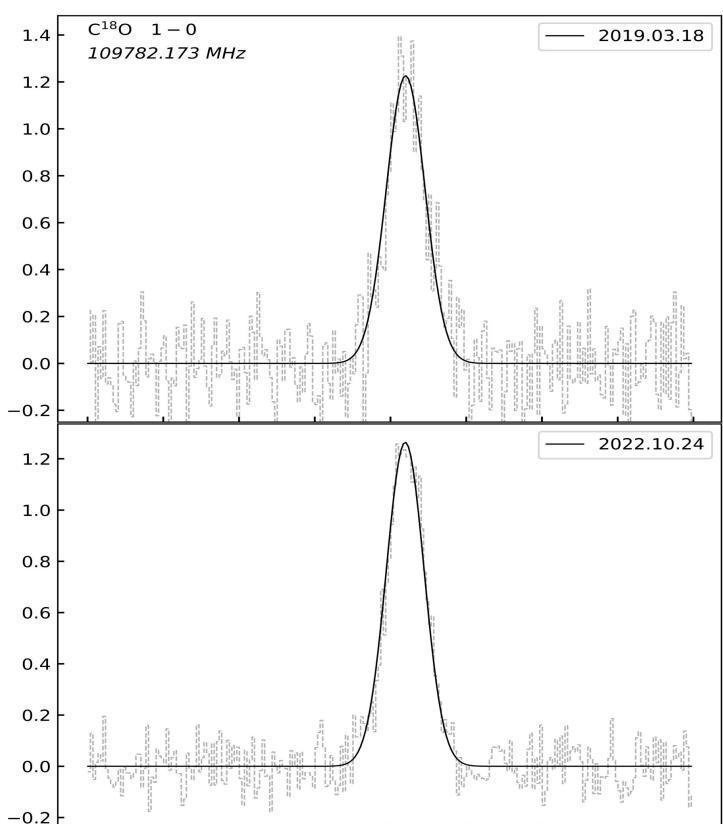

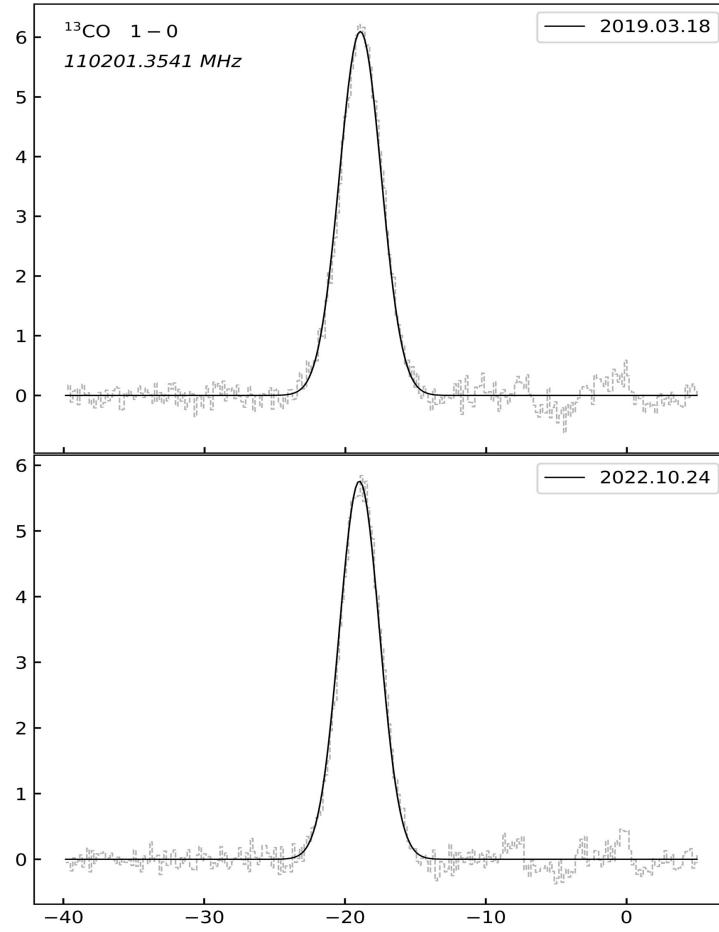

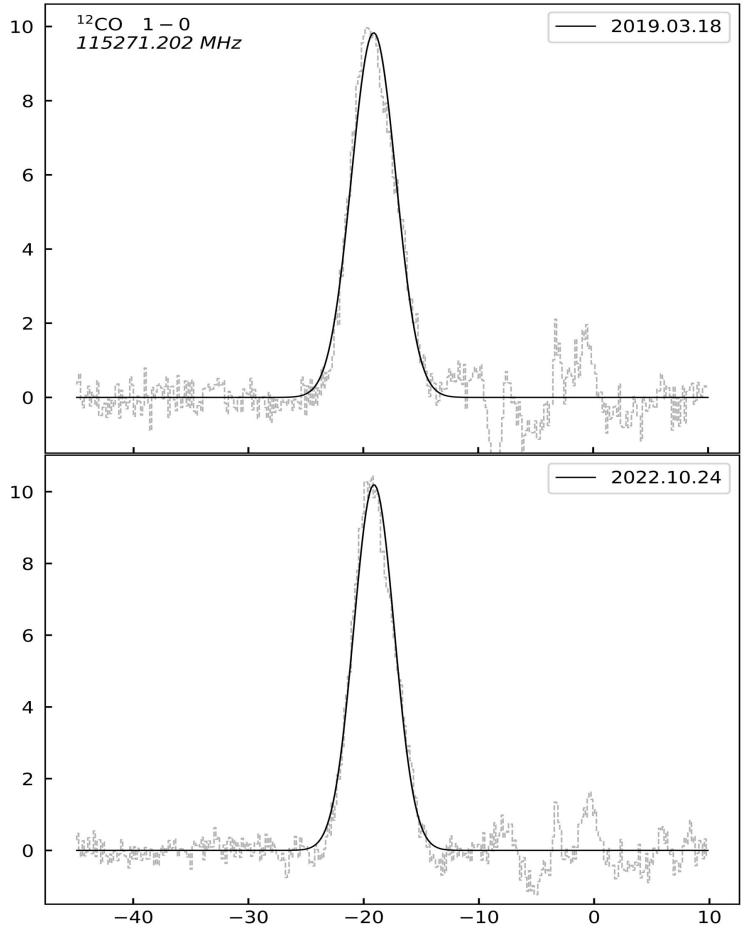

Methanol Maser

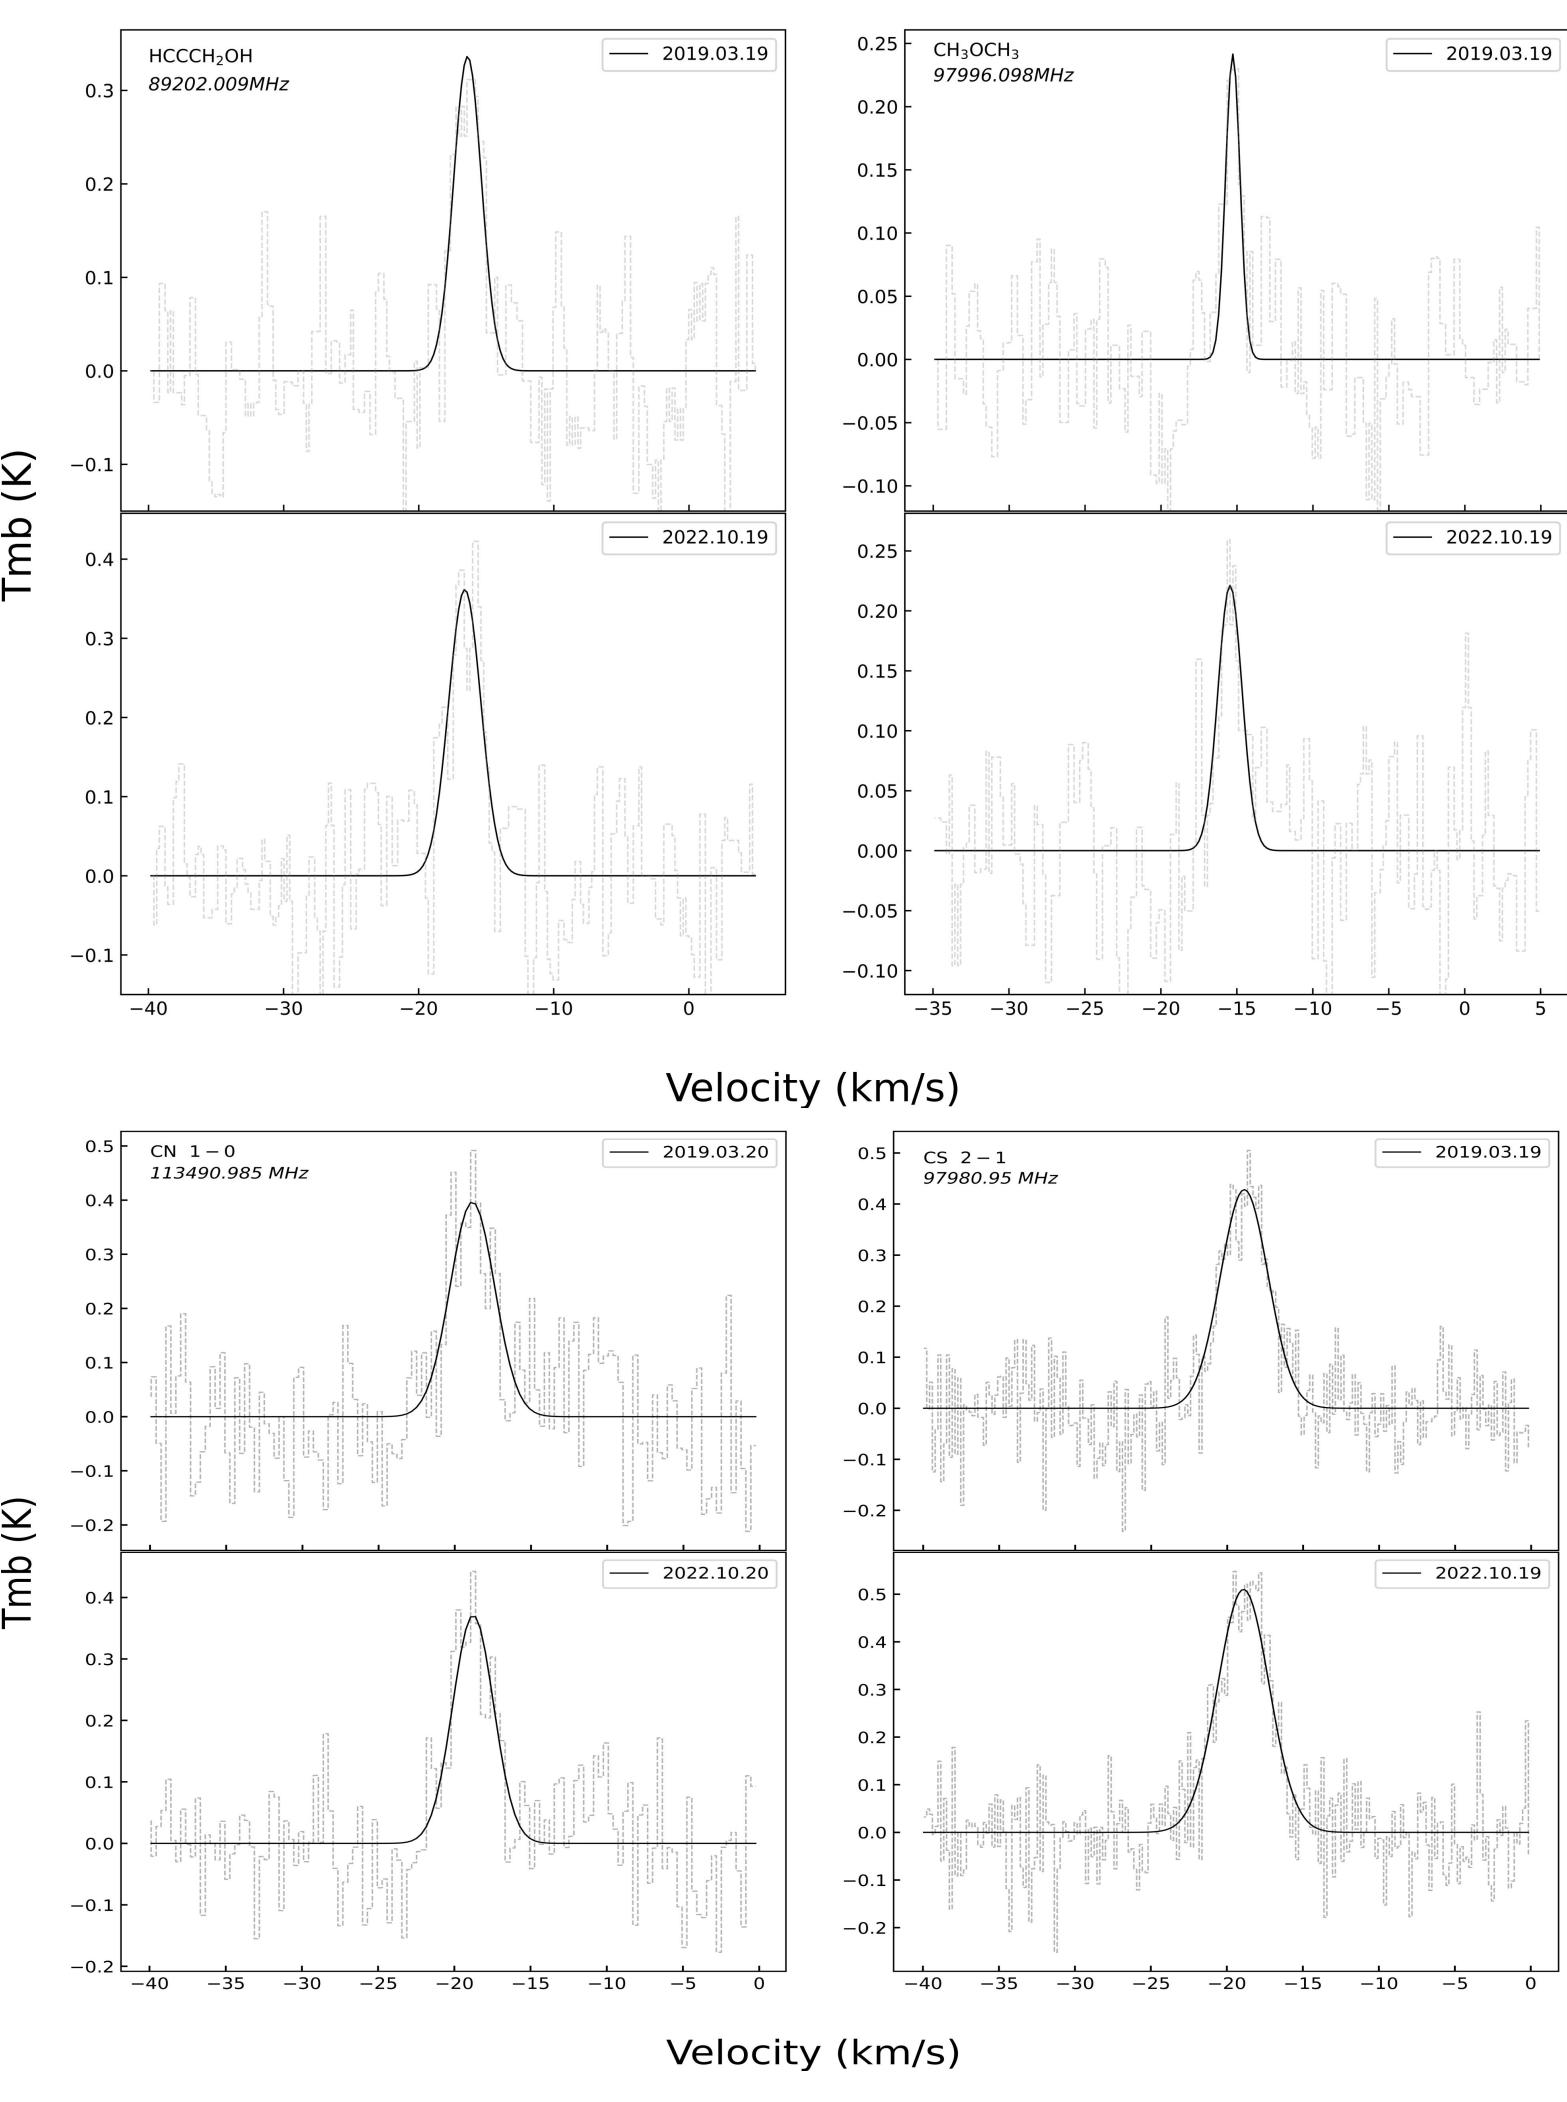

Eight class II methanol masers.

One class I methanol maser(95.1G, The dotted lines represent the original data points, and the solid lines represent the fitted data)

Methanol Maser

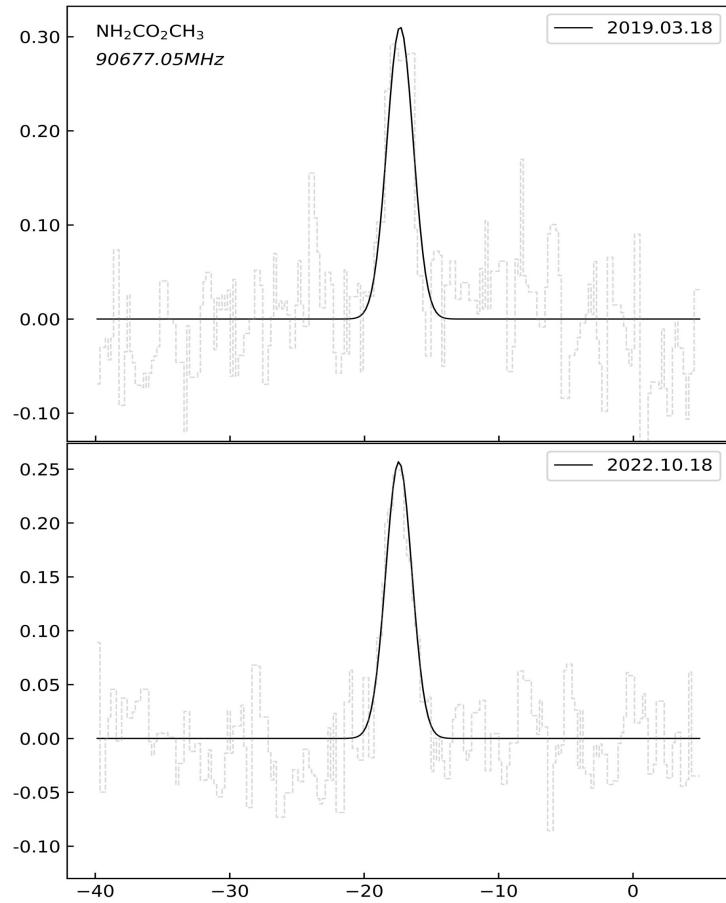

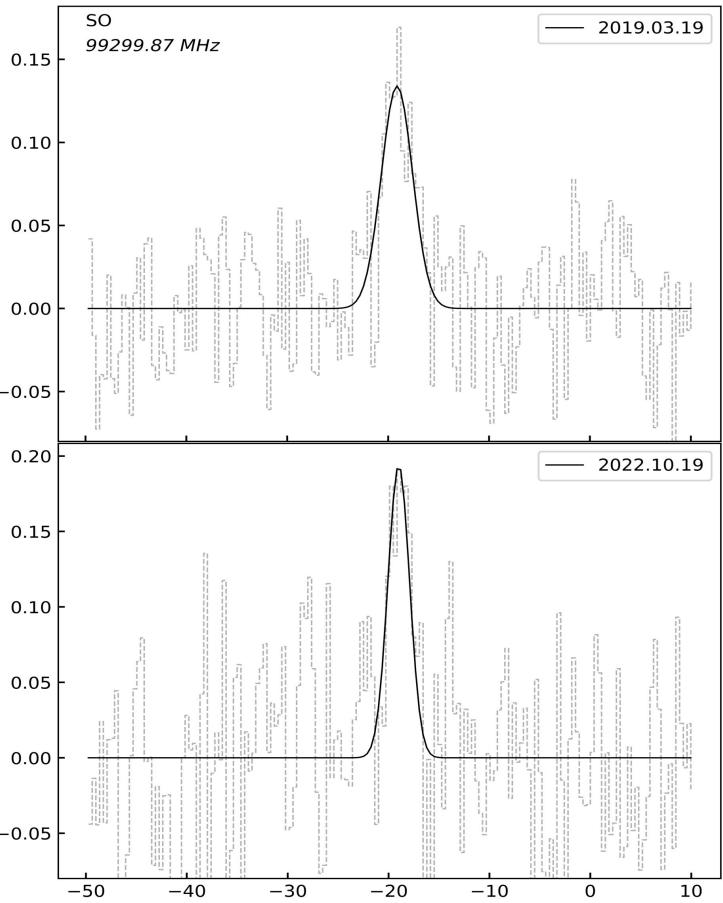

Thernal lines

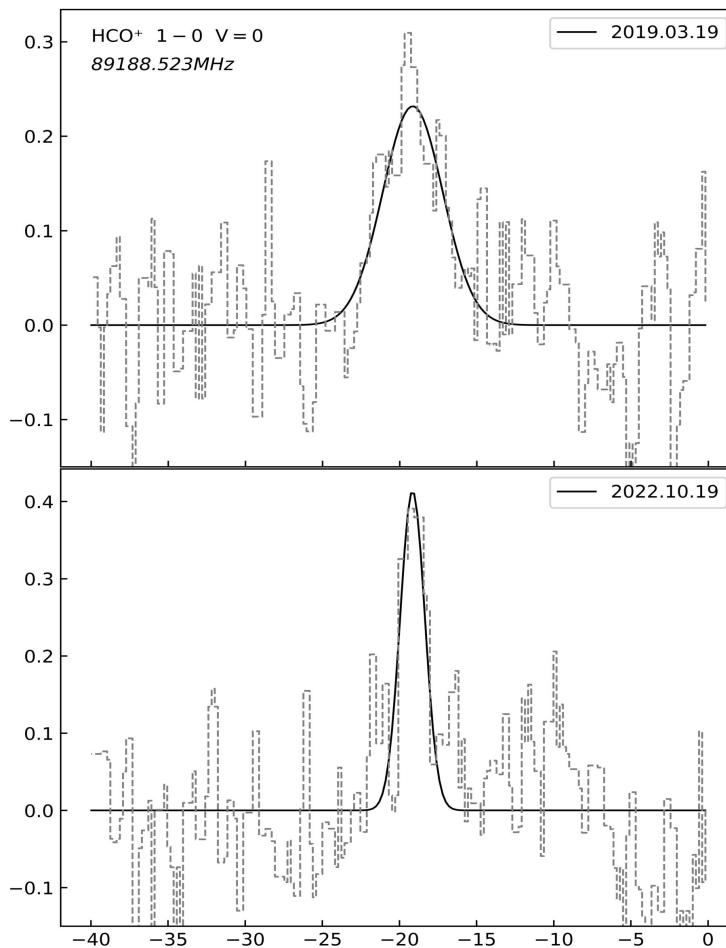

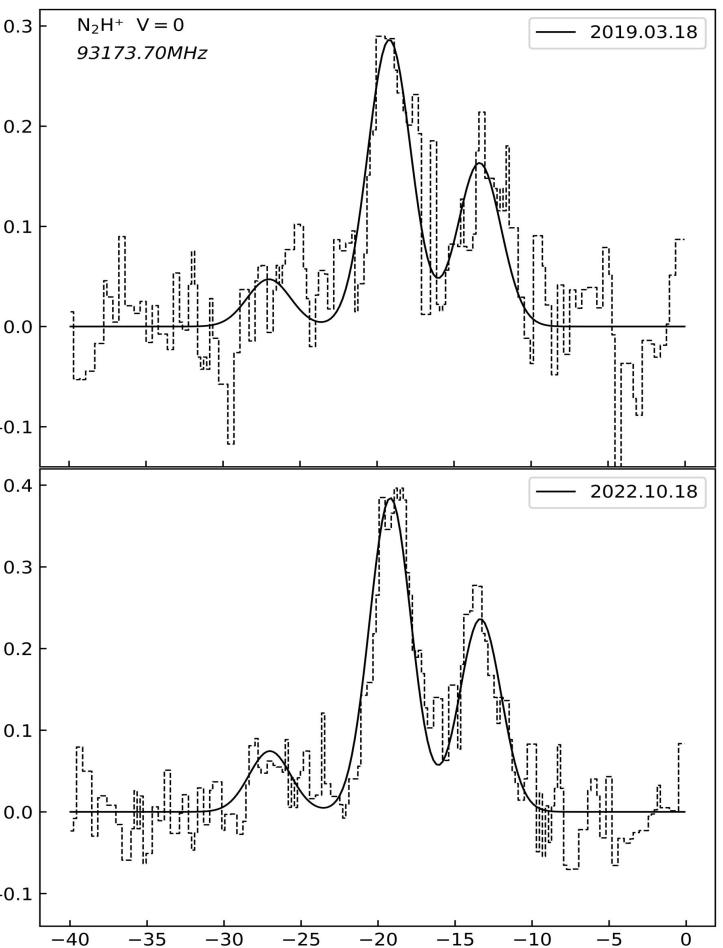

Thermal lines

T_{mb} (K)

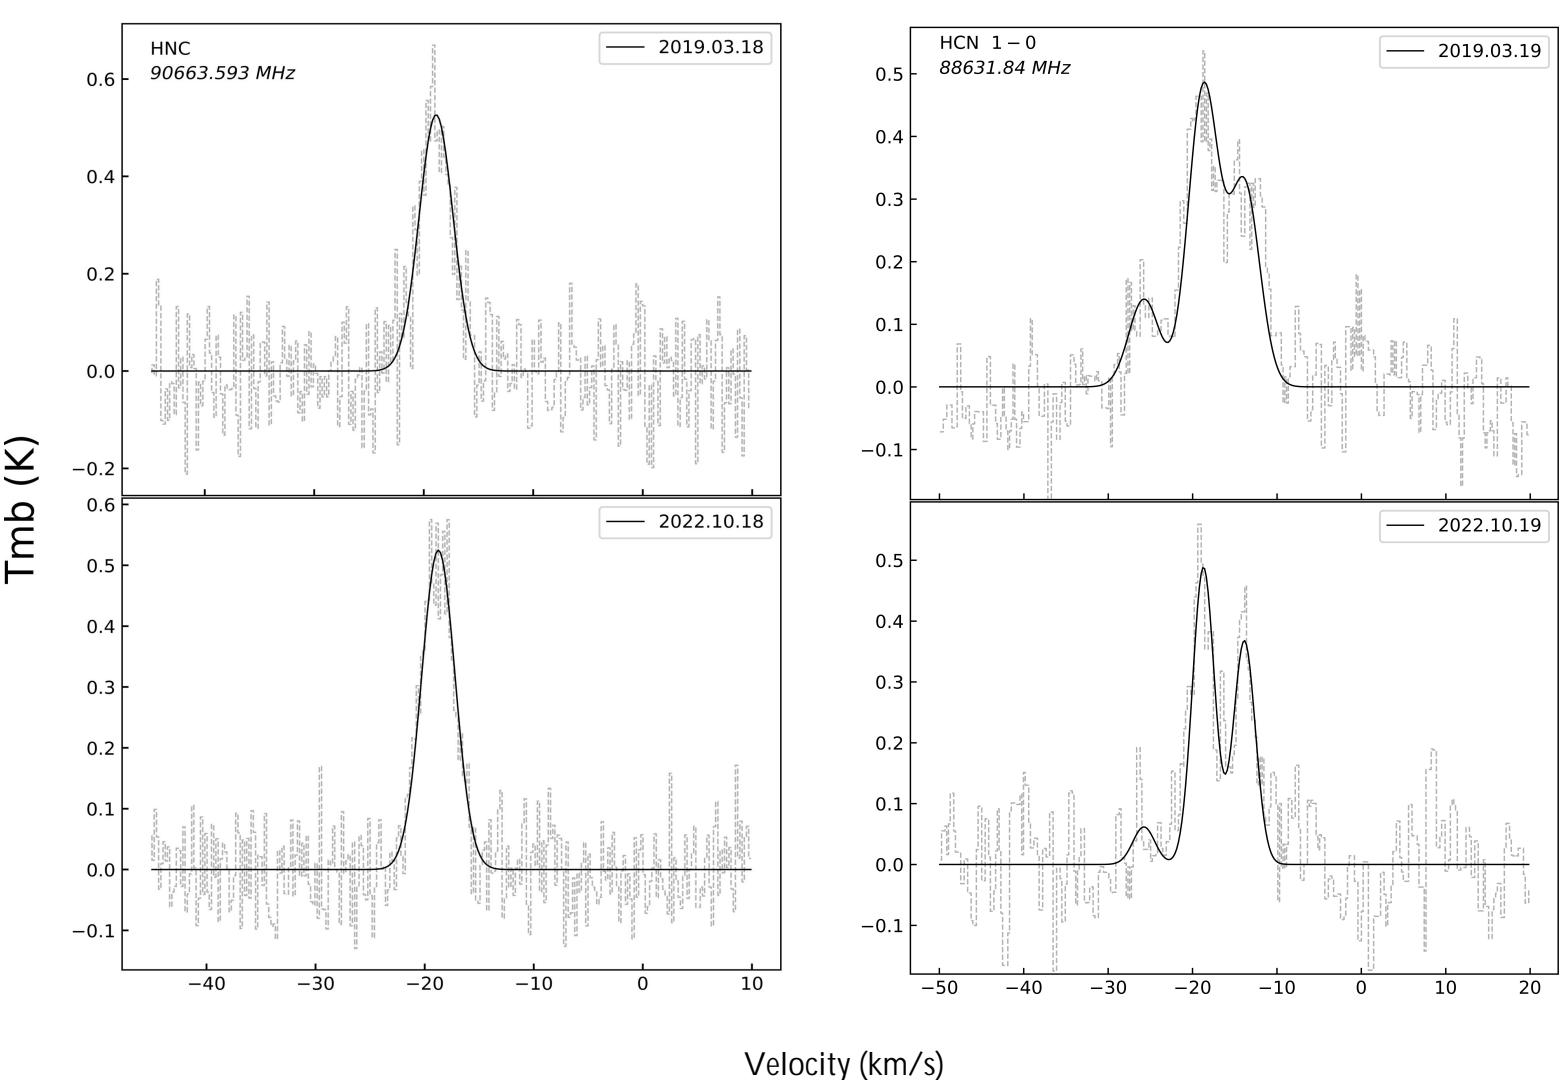

Velocity (km/s)

T_{mb} (K)

Velocity (km/s)

Thermal lines

Total of 14 molecular emission lines
